CENTRAL OBJECTIVE

At the end of the health education, the patient and family will acquire knowledge regarding cholera and able to practice in their day to day life.

SPECIFIC OBJECTIVES

At the end of the health education, the patient family will be able to:

- => explain cholera.
- => explain causes of cholera
- => enlist the complications of cholera.
- => enumerate the mode of transmission of cholera.
- => discuss about treatment of cholera.
- => describe the epidemiology of cholera.
- => explain about how it diagnosed
- => enlist the signs and symptoms of cholera.

Time Specific objectives

Introduction to cholera.

Content

Introduction

Cholera is an acute diarrhoeal infection caused by the pathogen *Vibrio cholerae*. It is responsible for about 5-10% of all acute diarrhoeal cases in non epidemic areas according to Fackler. It is more frequent in adult as well as in children. It is both epidemic and non epidemic disease.

The epidemics of cholera create an acute public health problem in m. V. cholerae is endemic in many countries. Poor countries particularly in areas of inadequate sanitation food hygien practices. Man is the only known host for cholera.

Environment: Many environmental factors affect the growth and transmission of causative organism like;

- * Poor environmental sanitation
- * Contaminated water
- * Contaminated food.
- * Poor Personal hygiene and quality of life

SIGNS and SYMPTOMS

Signs and symptoms of cholera. Most people remain asymptomatic. The symptoms include:

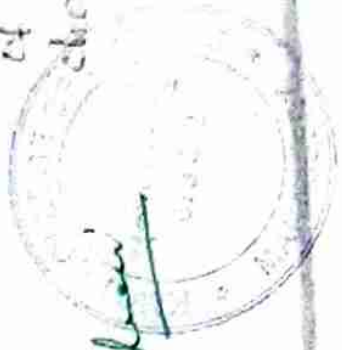

- * stomach pain * vomiting.
- * watery diarrhoea * sunken eyes and cheeks
- * leg cramps * Dry mucous membrane
- * mild fever.
- * Decreased urinary output.

CONCLUSION

Cholera is an ongoing disease among the world's poorest and most disadvantaged communities. Treatment may be effective on an individual basis. Cholera can be prevented and controlled more effectively at environmental level. This requires multidisciplinary approach including poverty alleviation

Report on Dairy Plant (Milma) Visit

Date: 25-11-2022

The dairy plant (Milma), Peringalam, visited on 2-12-2022 with second year BSc nursing students (48 students). It's a part of our community health Nursing Industrial visit. We started the visit from the college at 8:30 am by college bus and reached the plant at 9am. The dairy plant coordinator guided and explained the pasterization, storage area, UHT treatment area, quality testing area, curd processing area, skimmed milk processing, collection area etc. Mrs. Aghila and Mrs. Shincy accompanied with the students.

Respected Sir/Madam

With reference to your trail email, regarding the **visit of your 42 B.Sc(N) students, with 03 faculty, at CHEB on 28th September 2022.** In this regard, I am directed to convey to you that, the competent authority has given approval for this physical visit on **28th September 2022, from 10:00 A.M. to 12:00 P.M.**

Please send a detailed contact list (Name, Contact Number, Email ID) of students with faculty members who will be visiting CHEB on 28th September 2022 for the record.

It is, therefore, suggested that you may kindly direct your students to report CHEB 05 minutes before the scheduled time on the above-mentioned date. This event will be organized in the **Conference Room (Second Floor)** of the CHEB. It is also requested that the CHEB may be informed in advance in case of any change in the program at your end.

The receipt of this mail may kindly be acknowledged to CHEB by the following email.

Sub: Educational Visit~ Regarding.

Sir/Madam,

With reference of your email, dated 23.08.2022 on the subject noted above. This is to inform you that, the educational visit to Indian Nursing Council for you institute is scheduled as below:
Institute KMCT College of Nursing

Programme B.Sc.(N)
Number of Students 42
Date 27th Sep 2022
Timing 11:00am to 12:00 pm

It is mandatory for the group of students to be accompanied by a faculty member of the college, and both students & faculty must have valid ID proof. Entry to INC, will be permissible only 15 minutes prior to the scheduled time.

NOTE: In case of unavoidable circumstances arising out of COVID situation in the Capital, Indian Nursing Council reserves the right to cancel this scheduled educational visit without citing any reasons. Hence, you may confirm the visit (by email) two weeks prior to the scheduled date to avoid any inconvenience.

This issues with the approval of Competent Authority.

Yours faithfully,

Lt Col Dr Sarvjeet Kaur

Secretary

To,
The Secretary General,
TNAI Headquarters,
New Delhi

Subj: request for observation visit (4th year BSc Nursing students)
Respected Sir/Madam,

This is your kind information that the Fourth year BSc Nursing Students (42 nos) of KMCT College of Nursing, Manassery, Kozhikode, Kerala, along with 3 teachers would like to visit your esteemed institution as a part of their Fourth year administration papers, which includes identify and learn regarding the administration and management, organization setup, functions, etc. Preferable areas suitable for final year BSc Nursing students may be fixed by you as per your routine procedure. With your permission we shall fix the date on 28.09.2022. We shall be permitted to pay the fees if any. Kindly do the needful.

Thanking you

Thanks & Regards

Principal,

Dear Madam / Sir,

Greetings from the TNAI Headquarters!

This is with reference to your letter regarding the above mentioned subject. We hereby confirm the desired date of **28.09.2022** at 2PM (42 students) along with three faculties to visit TNAI.

However, it is to inform you that as per the decision of the TNAI EC & Council meeting held during Nov 2017 at Guntur, Andhra Pradesh, the schools / colleges of nursing having the SNA unit and paying the annual subscription regularly **shall be exempted** from observation visit charges.

All other schools / colleges ie, those not having SNA unit are required to pay the charges as follows:

S.No.	Category	Amount	GST 18%	Total

Plabee

		(Rs./- per visit)		
1	1 to 25 Students	500	90	590
2	26 to 50 Students	750	135	885
3	51 and above	1000	180	1180

You can make the payment at the time of your visit.

Looking forward to see you all,

Thanking you,

With regards,

Mrs. S. Vatchala Dhinakaran

Sub: Educational Visit - Regarding.

Sir/Madam,

With reference of your email, dated 23.08.2022 on the subject noted above. This is to inform you that, the educational visit to Indian Nursing Council for you institute is scheduled as below:
Institute KMCT College of Nursing

Programme B.Sc.(N)
Number of Students 42
Date 27th Sep 2022
Timing 11:00am to 12:00 pm

It is mandatory for the group of students to be accompanied by a faculty member of the college, and both students & faculty must have valid ID proof. Entry to INC, will be permissible only 15 minutes prior to the scheduled time.

NOTE: In case of unavoidable circumstances arising out of COVID situation in the Capital, Indian Nursing Council reserves the right to cancel this scheduled educational visit without citing any reasons. Hence, you may confirm the visit (by email) two weeks prior to the scheduled date to avoid any inconvenience.

This issues with the approval of Competent Authority.

Yours faithfully,

Lt Col Dr Sarvjeet Kaur
