The screenshot shows a web browser window with the URL kmctcon.mga.org.in/course/view.php?id=96§ion=1. The page title is "KMCT College of Nursing" and the navigation menu includes "Home", "Dashboard", and "My courses". The course name is "ADULT HEALTH NURSING". The left sidebar shows a list of sections, with "General" selected. The main content area displays the "General" section, which includes a "FORUM Announcements" box and a list of files under the "Introduction to adult health nursing" section. The files listed are "International classification of diseases" and "History of medical surgical nursing", each with a "Mark as done" button.

The screenshot shows the same web browser window as above, but with the "WOUND" section selected in the left sidebar. The main content area displays the "WOUND" section, which includes a list of files. The files listed are "WOUND", "Wound dressing", "Monitoring the patient during the procedures", "Out patient department", and "Monitoring the patient during the procedures", each with a "Mark as done" button.
