HERBAL GARDEN VISIT
ACADEMIC YEAR 2022-2023

Report on Herbal Garden

Visit Details:

- Date of Visit: 21/3/2023
- Location: Herbal Garden Ayurveda college
- Number of Students: 48
- Faculty Members Accompanying: Mrs. Rakhi, Mrs. Swetha

Objectives of the Visit:

The primary objectives of the visit were to:

- Enhance the students' knowledge about herbal medicine and its role in healthcare.
- Provide practical exposure to various medicinal plants and herbs.

Report

The visit to herbal garden was a valuable and enriching experience for the students. It reinforced the importance of holistic healthcare and broadened their horizons regarding alternative medical treatments. We extend our sincere thanks to the staff of Ayurveda college Dr Nikhitha for their informative guidance during our visit. Our students received a guided tour of the herbal garden. Students had the opportunity to identify a wide variety of medicinal plants and herbs, gaining insights into their properties and potential applications in healthcare. This visit not only deepened our understanding of herbal medicine but also kindled an appreciation for sustainable gardening and the preservation of herbal gardens. The visit to Herbal Garden was a valuable and enlightening experience for all participants.
