1. Introduction

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation, and quality up-gradation of institutions of higher education, the NAAC proposes that every accredited Institution should establish an Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the performance of institutions. The IQAC will make a significant contribution to the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channel the efforts and measures of an institution toward academic excellence.

2. Definition:

The IQAC plans, guides, and monitors Quality Assurance (QA) in various academic programs/activities and Quality Enhancement (QE) activities of the various Schools and departments of the University by the Vision and Mission defined by the University. The IQAC to develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the Institution.

The IQAC should be constituted in every Institution under the chairpersonship of the Head of the Institution with heads of key academic and administrative units and a few teachers, and a few distinguished educationists and representatives of the local management and stakeholders as members.

The composition of the IQAC should be as follows:

1. Chairperson: Head of the Institution
2. Teachers to represent all levels (Assistant Professor and Associate Professor) (Three to eight)
3. One member of the management
4. The senior administrative officer (Office Superintendent/Manager)
5. One nominee each from the Local Society/Trust, Students, and Alumni
6. One nominee each from the Employer/Industrialists/Stakeholders
7. One of the senior teachers as the Coordinator of the IQAC

The composition of the IQAC will depend on the size and complexity of the Institution, and accordingly, the representation of teachers may vary. The IQAC helps the Institution in planning and monitoring quality-related activities. It ensures the various stakeholders' and beneficiaries' cross-sectional participation in the Institution's quality-enhancement activities. The guidelines given here are only indicative and will help the institutions in their quality-sustenance activities. The membership of the nominated members shall be for a period of two years. The IQAC should meet at least once every quarter. The quorum for the meeting shall be two-thirds of the total number of members. The Agenda, Minutes, and Action Taken Reports are to be documented and maintained electronically in a retrievable format. While selecting these members, several precautions need to be taken. A few of them are listed below: made significant contributions to society and to education, in particular.
