INTRODUCTION

The kmct college of nursing (kmct con) is committed to providing a fair and equitable learning environment for all students, the college has an active International Student Cell. The cell ensures support and integration of students in various events of the institution. It also guides students for preparation of different international examinations like OET, IELTS, etc. The International Student Cell is guiding the students for opportunities abroad in the nursing field. The cell is working in collaboration with alumni association. Some alumni benefitted by the activity of this cell are settled abroad.

The kmct con also had NRI students with correspondent welfare and help desk committees

POLICY STATEMENT

The International Student Cell Committee in Nursing aims to foster a supportive and inclusive environment for international students pursuing nursing education and provide opportunities to students those who are interested to go abroad. Our mission is to provide resources, guidance, and advocacy tailored to the unique needs of nursing students. Through cultural exchange, professional development opportunities, and community engagement, we strive to enhance the academic experience and promote global perspectives within the nursing field. Together, we celebrate diversity, empower students, and ensure equitable access to educational and professional success in nursing.

OBJECTIVES

1. **Support Services:** Provide essential support services such as orientation programs, language assistance, and cultural integration activities to help nursing students
2. **Professional Development:** Organize workshops, seminars, and networking events that enhance the professional skills and career opportunities of nursing students.
3. **Peer Support:** Establish peer support networks and mentorship programs to provide guidance, encouragement, and assistance to nursing students.
4. **Awareness and Education:** Raise awareness about issues such as visa regulations, healthcare access, and cross-cultural

communication, through informational campaigns and educational initiatives.

These objectives collectively aim to create a welcoming and supportive environment where nursing students can thrive academically, professionally, and personally.

PURPOSES

- 1.Supportive Environment: Create and maintain a supportive and inclusive environment for nursing students
2. Resource Hub: Serve as a resource hub for nursing students by providing information, guidance, and assistance .
3. Professional Development: Facilitate professional development opportunities through workshops, seminars, and networking events tailored to the specific needs of international nursing students.
