Carrier guidance is a breakthrough for every student to range their visions. KMCT College of Nursing provides a variety of carrier guidance and placement programs. The main purpose of the carrier guidance and placement cell is to identify the necessity of students, organize different training classes, conduct direction for students, provide information regarding different job opportunities, and organize different capacity development programs such as personality development, soft skill training, language training, and enhancement of communication skills. Through such programs, the students get pertinent and essential information about career prospects.

PURPOSE:

To establish clear guidelines and procedures for the effective functioning of the Placement Cell and ensure successful placement of students.

SCOPE:

This policy applies to all students, faculty, and placement cell members involved in the placement process.

OBJECTIVES

- Facilitate job placements for students in reputed organizations.
- Provide career guidance and support to enhance students' employability.
- Establish and maintain relationships with corporate partners.

ORGANIZATIONAL STRUCTURE

Placement Cell Head: Oversees overall operations and strategy.

Placement Coordinators: Manage specific activities such as company interactions, student training, etc.

Student Representatives: Act as a liaison between students and the placement cell.

ROLES AND RESPONSIBILITIES

-Placement Cell Head:

- Develop and implement placement strategies.
- Coordinate with companies and organizations.
- Monitor and evaluate placement activities.

Placement Coordinators:

- Organize placement drives and job fairs.
- Provide training sessions for
